## Share Some Valentine's Love this Lockdown

---

**Treat someone you love to a delicious Valentine's meal and donate a nutritious family meal for 4 to the community.**

[ChangeKitchen CIC](#) is delighted to announce a new Click+Collect supper club, '[The Social Supper Club](#)', starting with a Valentine's soul food menu that '*shares some love*' by also [reducing food poverty](#) in Birmingham communities.

With so many people wanting to connect in new ways while in lockdown, it's more important than ever to show those we love just how much they mean to us. The delicious 3 course pan-African Valentine's meal (*that happens to be vegan to include everyone AND share the love with our planet!*) is one way to celebrate those who are special in your life and also give back to the community.

The new restaurant quality mealboxes (pick up, heat at home) are perfect for someone that deserves a treat for everything they do for you, their friends or community; a relative who is a keyworker or a neighbour who has helped you over the last year. Maybe your team deserve a 'thank you' and to know how much you appreciate their commitment to help keep your business going over the last 12 months?

[Birgit Kehrer](#), founder of ChangeKitchen CIC says, "As a [team](#), we were very grateful that we have been able to help with [Birmingham's community emergency food](#) effort co-ordinated by [The Active Wellbeing Society](#) from Day 1 of Lockdown 1. We were part of [#BrumTogether](#) since it started and have collaborated with many organisations to ensure that the most vulnerable in this city have access to food. In particular, the ChangeKitchen team, together with many amazing volunteers, used its 10 years of experience in 'cooking up change' to provide tasty, nutritious homemade meals that will make people feel cared for. We currently cook about 600-800 portions a week to send out through [foodbanks](#) such as [Incredible Surplus Ladywood Food Hub](#) and the [Women's Enterprise and Community Hub](#)."

"Our [National Lottery Community Fund social enterprise support funding](#) runs out soon but the community need surrounding food poverty during the challenges of the Covid pandemic is still rising. ChangeKitchen CIC is passionate and determined to continue being part of the '[food justice](#)' solution across Birmingham. We are excited to be launching our new Click+Collect Supper Club this February, starting with our Valentine's Day '[Share Some Love](#)' take home mealboxes. Thank you in advance for anyone who supports us with this new initiative as we continue trading and look to '*build back better*'."

With every meal, ChangeKitchen CIC will '*share some love*' across our community where others may be struggling with the challenge of putting food on the family table. Your Valentine's meal will also give a family of 4 a healthy meal to let them know '*we're all in this together*'.

*ChangeKitchen CIC supports and follows [Covid safe practices](#) for our food, our team and our customers, please help us to keep everyone in our community safe... thank you.*
